A NEWSLETTER FOR MEMBERS OF THE HIDEOUT GOLF CLUB & RESORT

EDITION 6 | JUNE 2019

## KIT'S KORNER

The month of June represents the kickoff of the summer season here at the resort. With more than \$1M in new renovations in recent months, we are excited to share some of the new and exciting things that we will be introducing this season. The Hideout will now be offering water aerobics, swim lessons, Junior golf camps, a new fitness center, Monday Madness 2-person Twilight Scrambles and rounding out the month will be our Annual Couples Summer Bash Golf Tournament. This summer's pool season has just gotten a lot better too because we added a brand-new full functioning cabana grill, located right next to the pool for everyone's enjoyment! No need to change out of your swimsuit to enjoy a delicious snack or grab a drink.

Turning our attention to the golf course, our management team has recently purchased the new TFM Shield software. This product has been made available by E-Z-Go Textron as a monitoring system to control golf cart activity throughout the golf course. We will now have the ability to restrict golf cart traffic from entering any restricted areas and to keep them on the cart paths during inclement weather days.

Demand for our lodging here at the resort is at an all-time high with members and guests actively reserving our lodge rooms, cabins, as well as our new 2-bedroom ranch houses. Don't forget to book your next stay here at The Hideout Golf Club & Resort as rooms are filling up fast!

In closing, our golf course, cabins, and lodge rooms are all in the best shape they have ever been, and we are anxiously awaiting your next visit to The Hideout. Chef Richard's weekly specials along with Lake Brownwood's full to optimum conditions will make your stay in central Texas unforgettable. Have a great June and we look forward to seeing each of you real soon.

Golfingly Yours,

W. Kit Thomson, GM/PGA

# FUN IN THE SUN SHINES DURING THE SUMMER SEASON

The Hideout Golf Club & Resort is a favorite Hill Country destination year 'round. But the summer season really shines for those looking for a fun-filled getaway from the every day.

The fairways and greens of the 18-hole golf course are at their scenic best during these long, warm days. Kids are splashing around in the refreshing waters of the resort swimming pool, while mom and dad relax under a shady umbrella with their favorite frosty beverages.

Lake Brownwood offers exciting ways to beat the heat. With 7,500 acres of glittering water, you can enjoy boating, tubing, jet skiing and much more. For those looking to spend a sunny afternoon with a rod and reel in hand, summers are made for fishing ... especially White Bass.

Don't let the summer pass without spending some quality time at The Hideout. Call early for best selection of available dates and accommodations!

## ON THE GRILL

We are making great strides to include more and more Texas selections in our restaurant. Some of these include wild game summer sausage from Ingram, raw milk cheese from Dublin, small production beef from Lubbock, and fruits, vegetables and herbs from our on-property garden.

We are also making many items in-house such as our cold smoked ground and patted burgers or our chorizo. Look out for our specials and new and fun items as products come in to season. Be careful though, some of them may be so limited that they are here for a day and then gone!

The Hideout Grill team is working weekly on new and different dessert selections and are already receiving great reviews on our cheesecake and Derby pie. Coming soon, we will be introducing a seasonal fruit cast iron cobbler with a sweet biscuit crust. Don't miss out!

## MIXOLOGY

Cocktail historians tell us that the margarita began as an American brandy drink called the Daisy. During Prohibition, the cocktail evolved in Mexico (margarita is Spanish for "daisy"), remade with tequila instead of brandy. Salute the summer season with one of these frosty delights at The Hideout. This summer, check out our \$5 specials including frozen margaritas with house tequila and green margarita salt, piña colodas with rum and raspberry sugar, and strawberry daiquiris with rum and a lime.

# DEVELOPMENT NEWS

## King's Point Cove, Unit 3

The road base has officially been laid one mile from the front entrance of Unit 3 to the point of connection of Unit 2. We estimate paving to commence for that first mile by mid-June.

## Snack Bar and Restrooms (poolside)

The exterior and roof of the snack bars, restrooms and changing additions are now complete. We are now beginning on the interior and looking for a completion of the facility the first week of June.

## Tennis/Pickleball/Basketball Courts

Concrete was poured on the first half of the court earlier in May and the remaining concrete was poured in recent days. The surface requires 28 days to cure before sealing and painting.

## TEE TIME

Golf Shop News: Monday Madness Twilight Golf continues through the month of June with a 5:30 shotgun start each week. Grab your partner and enjoy the fun of a 2-person Team Scramble. Prizes awarded each week for low gross and low net team scores as well as team skins. If no team skins are claimed, the entire skin pot will carry over to the next week.

### Upcoming Events:

Sunday, June 2nd

We are Brownwood Charity Golf Tournament - 1:00pm Shotgun

Sunday, June 23rd

Challenge 3-Person Scramble - 1:00pm Shotgun

### \*\*Important Reminders: Weekend Tee Times and Pace of Play

Going into the hot months of summer, the morning tee times are always at a prime and the first to be filled. To accommodate as many members as possible during these months, tee times booked with 2 players will be paired by the Golf Shop staff or the Starter with other players for a maximum of 4 players per tee time. This will allow more members and guests to enjoy the cooler temperatures while playing in the summer months. This policy will also help keep a steady pace of play so all players may enjoy their rounds. Players who choose not to be paired with other golfers can book tee times in the afternoon when play typically slows down.

All information and Registration for Monday Madness Twilight Golf and all Tournaments hosted by The Hideout can be found on our new website at [www.TheHideoutTexas.com](http://www.TheHideoutTexas.com).
