

# The Hideout

A NEWSLETTER FOR MEMBERS OF THE HIDEOUT GOLF CLUB & RESORT

EDITION 5 | MAY 2019

## KIT'S KORNER

Let me start off the month of May by reminding all of our members and guests about the exciting capital improvement projects that are all in full swing here at The Hideout Golf Club & Resort. Ownership has allowed us to remodel the previous Pro Shop building to house a new Fitness Center and Day Spa. Additionally, we have begun building a new swimming pool cabana with new men's & women's bathrooms, showers, and walk-up bar and full-service counter to service all of your food needs. We are excited and think this will be a great addition for the entire swim season here at the resort. Most of you have noticed the new staircase and rock work being done on the backside of the clubhouse, which will allow you to walk down to the new viewing area with a new entertainment stage and fire pits along with our new garden center, where we will be raising our own farm-to-table produce for our restaurant. Walking paths will allow for strolls around the club house, the new sales office and the ranch house sections leading to the restaurant garden. We just planted the first seedlings and can't wait to watch them grow!

The golf course is in full swing of coming out of dormancy and the trees and fairways are all turning bright green. On a player note, I would like to take this time to remind all golfers to adhere to the cart rules of keeping their golf carts on the cart paths around all tees and greens. Slower players are encouraged to let faster players through to keep up with the custom of a 4-hour round of play and be sure to play ready golf at all times. Our resort dress policy, while playing the golf course, will not allow tee shirts, tank tops, or cut offs at any time. Collared Shirts will be a part of the new policy and each player will be asked to either wear a collared shirt or purchase one to conform to the stated policy. We appreciate your understanding and compliance.

Turning our attention to the lodging component at The Hideout, we are excited to begin offering the new two bedroom "Ranch Houses" with full kitchens and fireplaces to all of our members and guests. This offering will take place sometime in Mid-May and will be available to all members and Stay & Play guests who wish to come to The Hideout for a weekend getaway. Please note that all lodging reservations will be offered on a first come first serve basis. So, each of you need to make your outing plans sooner rather than later and reserve your space here at our Lodge.

In closing, be sure to visit our calendar of events on our website or on Facebook to make sure you don't miss out on the opportunity to participate in one of our key "FUN" events throughout the season. The Kentucky Derby, Cinco de Mayo, and, what will become an annual event, our annual "Member Crawfish Open" which will take place in mid-May. I look forward to seeing each of you at the resort and, should you have a personal request or concern, please feel free to reach out to me at any time. My door is always open.

Golfingly Yours,

W. Kit Thomson, GM/PGA  
The Hideout Golf Club & Resort

# FROM GARDEN TO TABLE

Fans of The Hideout Grill will be glad to hear that the raised gardens have been constructed and a bounty of vegetables and herbs have been planted to bring even more farm-to-table goodness to this popular restaurant.

Here's the roster of plants already flourishing out here in the Texas Hill Country: beefsteak tomatoes, peppers, cabbage, lettuce, berries, yellow heirloom/cherry/grape tomatoes, zucchini and yellow squash, green onions, radishes, carrots, beets, melons and cucumbers. Adding to the flavor will be a harvest of herbs like cilantro, parsley, mint, basil, dill, oregano, lamb's ear sage and lemon English thyme.

## ON THE GRILL

### The Hideout Smoked Burger

These hearty burgers begin with a blend of brisket and ground chuck, which we cold smoke for one hour with oak chips. We then double grind and hand patty them and cook over our mesquite fired grill. The burgers are served with lettuce, onion and tomatoes on a toasted brioche bun with a side of our house-made Kennebec french fries.

In the last couple of days, we have seen an abundance of growth in the new Hideout garden. We're excited about the whole new world of freshness represented in the 12 raised-bed gardens behind the clubhouse, surrounded by amazing Austin stone walls and steel gates. Please come tour this new addition and be among some of the first to enjoy our fresh vegetables and herbs used in our signature entrees and dishes. Stay tuned for some exciting new specials highlighted by our garden-fresh produce!

## MIXOLOGY

An inspired pairing with The Hideout Smoked Burger described above is our Dark Horse Cabernet Sauvignon, a wine with full body, medium tannin, rich fruit and almost jammy flavors. But if a burger isn't your thing, it is also a great complement to one of our flame-grilled steaks. Either way, this flavorful wine is sure to exceed your expectations. Winemaker Beth Liston brings together a thoughtfully curated collection of California grapes to balance big fruit flavors with deep, dry, mouthwatering notes. It's the perfect complement to bold beef flavors from The Hideout Grill!

# DEVELOPMENT NEWS

There is so much exciting progress to report this month at The Hideout Golf Club & Resort that is making this great destination even better!

In particular, work on the resort amenities is moving along nicely. The indoor restoration is now complete on the Fitness Center, so the fitness equipment can be installed upon arrival. The sports courts have been leveled and prepared for concrete – ready for tennis, pickleball and basketball before you know it! The poolside snack bar and restrooms are under construction, as is the Halfway House on the golf course and a full bath house for golfers and the RV Park. In addition, the firepit areas and lower deck entertainment areas are nearing completion.

Things are busy at the King's Point Cove neighborhood too. Water and sewer lines are now complete and have been approved by the engineer and Brooksmith Water Supply Corp. In fact, Brooksmith has already installed two water meters for property owners this week. In addition, the base is currently being laid for the first mile of roads in the neighborhood. Paving should begin by the middle of June.

## TEE TIME

Twilight Golf has started at The Hideout Golf Club & Resort! Pick your partner and join us every Monday for a 2-Person Team 9-Hole Scramble starting with a 5:30 shotgun. Prizes are awarded each week for Low Gross and Low Net Team Scores. Team Skins will carry over each week if there are no winners. Food & beverage are available after play every other week. Upcoming events: Saturday, May 18th Crawfish Open Member Golf Tournament Two-Person Team Best Ball. Eligibility open to all Hideout Golf Club & Resort Members. Crawfish & Shrimp Boil and Keg Beer following play. For more information and to register for all events visit our website: [www.thehideoutgolfclub.com/scorecard](http://www.thehideoutgolfclub.com/scorecard) and click the book online button.

Reminder: Some Hideout Golf Club & Resort events require established handicaps to participate. If you would like to start tracking your scores and are an established handicap, contact our golf pro Tracy Lowry at 325-784-4653 or email [tracy@thehideoutgolfclub.com](mailto:tracy@thehideoutgolfclub.com).
