

The Hideout

A NEWSLETTER FOR MEMBERS OF THE HIDEOUT GOLF CLUB & RESORT

EDITION 4 | MARCH 2019

KIT'S KORNER

First of all, I would like to take a minute and thank all of our members and subsequent guests for participating in the past two months club sponsored golf tournaments. Our Icicle Open and Mardi Gras & Gumbo Open have been huge successes with great participation. Other popular club-sponsored events included our 1st Annual St. Paddy's Revenge Par 3 Challenge on St. Patrick's Day, complete with green beer and burgers! Lastly, the golf staff will be conducting a Step Aside Scramble Golf Tournament on Sunday, March 31, 2019 beginning with a 1:00pm shotgun start. I have mentioned these events as we have been having great participation in our club sponsored tournaments and wanted to reach out to our entire membership to encourage you to begin participating in upcoming events. This is an excellent way to meet new people and enjoy our club to its fullest.

In addition to our golfing events, there are a number of social activities that have been going on here at the club:

- Texas Independence Day – March 2
- Mardi Gras – March 5
- Daylight Savings Time – March 10
- National Pie Day – March 14
- The Hideout "Spring Market" – March 16
- St. Patrick's Day – March 17

We hope you had a chance to take advantage of these great "FUN" events sponsored by our club throughout the month of March and will plan on attending those in the coming months too. Additionally, we will host Live Music each and every Friday & Saturday evening beginning at 6:00pm. Our F&B Staff has been doing a great job in preparing food and drink specials for each of these "FUN" evenings.

Management has been working on a new stairway to the lower lawn area behind the clubhouse and are currently constructing a new entertainment deck for outdoor entertainment and a movie stage for our members and guests to enjoy throughout the spring, summer, and fall months. Additionally, new improvements are coming throughout the resort including: a Fitness Center, Halfway House (Between 9 & 10) on the golf course, deck & pool furniture, new Ranch Houses that will sleep up to 8 individuals, Special Event Tent, Garden for our Farm to Table concept for our Chef to enjoy, and a new golf cart storage area for all of our Private Cart owners to enjoy. For those of you that I haven't had a chance to meet please stop by as my door is always open and again thank you for your continued support of The Hideout Golf Club & Resort.

ON THE GRILL

Pappardelle with Braised Short Ribs and Smoked Tomato Ragout

Watch for this and other exciting menu additions coming soon to the Hideout Grill!

Short ribs slow braised until fork tender (approximately 4 hours) with red wine, aromatic herbs and vegetables. Pecan wood-smoked ripe tomatoes simmered with the beef cooking liquids; puréed, strained and then simmered till rich and thick. Pappardelle noodles cooked al dente, drained and tossed with fresh butter and Parmesan cheese. Top noodles with sliced short ribs, smother with the smoked tomato ragout, sprinkle with a bit more Parmesan and serve.

MIXOLOGY

Old Fashions have been the topic of discussion in bars throughout history. Do you muddle fruit? Does it have a cherry? Do you use an orange wedge? Extra fine sugar or simple syrup? The questions have been asked a million times! Well the proper way to 'fashion' an Old Fashion is as follows: 1 sugar cube, 2 dashes of bitters, splash of water to dissolve the sugar, 2 oz of good bourbon, and an orange 'twist'. The twist is simply the peel of an orange twisted over the glass to release the oils. Drop the orange twist in and top with ice. This classic cocktail pairs well with hearty meals, such as braise short ribs. The bourbon and citrus cut down the richness of the ribs! Enjoy!!

DEVELOPMENT NEWS

We are working on a number of items at the Hideout. We are going to be renovating old clubhouse making it into a gym, putting in a tennis court, pickleball court basket ball court combination, adding three two bedroom ranch houses, adding a garden, halfway house between hole 9 and 10, adding bathroom facilities at the pool along with a BBQ area, bar outside the pro shop, all going on and hopefully to be completed by mid summer but depends on weather conditions. We have already finished a deck and staircase outside clubhouse and are creating a walking path around the clubhouse. Additionally work on KPC 3 is continuing, Water Sewer and roads are going in.
